Dear Sir

Foodgrains Control - Licence - Our Malpe Factory.

With reference to your recent letter to our Head Office, Calicut in connection with the above, we have to reply to your queries as follows:

1 The number of persons who are supplied rice under cover ofour license:--
From our application for a license for our Malpe Factory conveyed to you in our letter G/1836 of the 29th September '43, you will note that we have asked the license to be such as to enable our Malpe Factory to supply rice to upto 190 persons.

2. The special difficulties that are experienced by us in conforming to the condition 6 of the license in issuing vouchers:--
Our factory Office is not specifically equipped for issuing rice to our employees and we are undertaking the issue of rice to the employees of our Malpe Factory only because our employees find it extremely difficult to obtain rice at reasonable prices through normal channels. They are purchasing rice at prices prevailing in the bazaar which are usually much higher than the price of Rs.10-8-0 per moora which we are selling the rice to the employees of our Malpe Factory. The issuing of vouchers to each and every employee purchaser will through additional work on our already overwork Malpe Office Staff and as we are keeping a record of issues in book form at our Malpe Office, the issue of separate vouchers really becomes superfluous, particularly so, as we are a reputable firm and as our books are open to inspection to any authorized member of your Office.

In view of the above, we trust you will be able to grant us the exemption requested.
